

CORALENA

Did you know octopuses have **three hearts**? Two pump blood to their gills, and the third supplies the rest of their body. *Fun twist:* when they swim, the heart pumping to the body takes a break! With her **big heart(s)** and captivating personality, **Coralena**, our **Giant Pacific Octopus**, is sure to be an animal you'll LOVE. Visit her in the **Bizarre & Beautiful Gallery** and prepare to be amazed!
